Introduction to Leadership Skills for Troops (ILST)

AUGUST, 2023

ILST aims to teach Scouts with leadership positions about their new roles and how to achieve optimal success in these positions. Our newly formed Patrol Leaders' Council (PLC) for the fall semester underwent a 2-day training session where they gained an understanding of their specific responsibilities. They were equipped with essential organizational and leadership skills crucial for achieving success in their roles.

Cabin Camp

DECEMBER, 2023

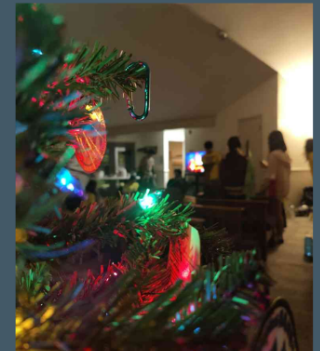

We can't end the year without cabin camp! The weather was perfect for being in the outdoors for skills and games, and the cabin was nice and cozy for indoor activities too. Many of the scouts were able to do their requirements and complete their board of reviews and scoutmaster conferences to rank up just in the for end of year court of honor.
