

LDHV, in a Month!

[Issue No.1] [March 2024 Edition] [Nhat Tiet]

This month, our scouts persevered through various hardships such as delivering mulch bags, backpacking several miles through rough terrain, and karaoke?! (photo above)

Right: Troop Mulching - 3/16/24

In order to fundraise for our troop, our scouts put up flyers and deliver mulch for customers. This year they delivered 701 mulch bags! Big thanks to scouts, parents, and leaders who participated in this year's mulching!

Below: March Backpacking

Left: Troop Backpacking, Right: Philmont Crew Backpacking - 3/23 - 3/24

Our troop and philmont crew hiked a combined 23 miles within 2 days! The troop went to Sky Meadows State Park while the crew went to Shenandoah National Park. Originally, we were planning to camp overnight at Shenandoah, but due to a forest fire in the northern section of the park, events were rescheduled and the group was split. Although these events occurred, both hiking crews pushed through the difficult conditions, weather, and terrain!
